Dear Ms Warner

Re: Criminality within the legal profession

I refer to the above.

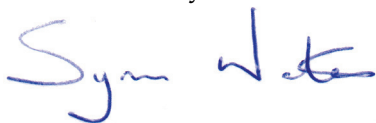

May I respectfully ask that you provide a response to my recent letters, in particular my letters to you as dated 12th November, 18th November, and 19th November 2021.

As you are very well aware, such correspondences raise with you improper conduct as taking place within the Law Society of NSW and the Office of the Legal Services Commissioner, and indeed the covering up of criminal conduct within the legal profession by both of those overseeing bodies.

It is of note that while refusing to respond to my letters to you, you briefed and instructed Baker & McKenzie Lawyers while making baseless and somewhat extraordinary claims against me. Such has been made known to that firm. Further, it is my understanding that no evidence was provided to Baker & McKenzie in relation to the claims made, with your claims being made on a hearsay and non-evidentiary basis.

Please respond to the aforementioned letters without any further delay.

Yours faithfully

Symn Waters
