Dear Ms Warner

***Re: Criminality within the legal profession***

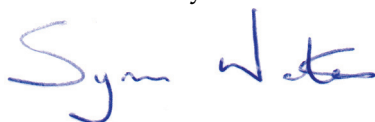

I refer to my letters to you of 12<sup>th</sup> November 2021, 18<sup>th</sup> November 2021, and 19<sup>th</sup> November 2021, as sent to you in your capacity as President of the Law Society of NSW, and with such letters outlining the Law Society's covering up of the criminal conduct of Terence Goldberg of Turner Freeman Lawyers.

In the closing paragraphs of the first of the above letters, I speak about a campaign from within the Law Society of NSW to cover up the transgressions of Mr Goldberg, while also speaking about the campaign of intimidation against those attempting to make such publicly known.

Rather than respond to the above said correspondences (or indeed do anything about the matter), you, and more so the law firm you retained in an attempt to suppress the publication of such, set out on a course of relentless intimidation in order to further the cover up of the said criminal conduct of Terence Goldberg of Turner Freeman Lawyers.

It would appear that you do not fully comprehend the seriousness of the situation, nor indeed the irony of your own conduct.

Yours faithfully

Symn Waters
